

DETOX PLUS

SYNERGY

Clean out your body naturally and easily with this all-herbal formula that helps eliminate waste and toxins.

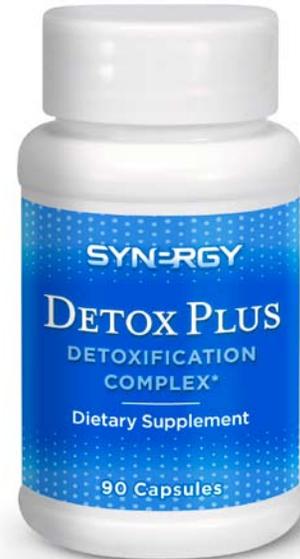

Our bodies produce waste that must be eliminated. Cleansing the bowel and the blood of toxins is essential to a healthy lifestyle. Detox Plus features 31 highly specialized herbs that have been carefully selected for their ability to cleanse and detoxify the bowel and internal organs of the body.

Detox Plus detoxifies the body in several different ways. Psyllium husk contain natural fibers that exert a scrubbing action, which helps to remove build-up of waste that has accumulated.

Herbs such as slippery elm, fenugreek, Irish moss, marshmallow root, aloe and kelp when reconstituted in body liquids, assume very slimy properties. This viscous attribute enables them to quickly gather toxins and provide soothing actions as they slowly slide through the system.

A third group of herbs help to detoxify specific body systems and organs: red clover, burdock, and black walnut for the blood, dandelion and milk thistle for the liver and gallbladder, and yellow dock for the colon.

Aromatic herbs (cloves, fennel, ginger, peppermint, rosemary, garlic) stimulate digestion, ease nausea, and soothe the stomach.*

Item No. SU74041 | 90 Capsules

Benefits

- Vibrant health*
- Loss of sluggish feeling*
- Improved circulation*
- Greater mental clarity*
- A more defined sense of well-being*

Instructions

Take 2-3 capsules once daily with 8 ounces of water. Can be used with a detoxifying fast or on a daily basis.

As with any nutritional product, please consult your physician before use, especially if pregnant, lactating, or have a known medical condition.
