

# BIOME BALANCE

## Metabolic & Microbiome Performance

Item No. 92906  
90 Capsules

Berberine is a natural extract of Indian Barberry root, a key extract for the clinically studied Fortify program.† Berberine may support gut health and microbiome balance by combatting endotoxins which can interfere with gut performance and glucose metabolism\*. A balanced microbiome can contribute to healthy metabolic function.\* Berberine also supports healthy insulin response and already healthy cholesterol and triglyceride levels for healthy metabolic function.\*

### BENEFITS

- Combats endotoxins, which may interfere with gut performance and glucose metabolism\*
- Supports gut health\*
- Supports healthy insulin response\*
- Supports already healthy cholesterol and triglyceride levels\*
- Gluten Free | Vegan | Non GMO

### RECOMMENDED USE

Take one capsule before a meal, 3 times daily. For best results use in conjunction with other Fortify products.

Supplement Facts		
Serving Size 1 Capsule		
Servings Per Container 90		
	Amount Per 1 Capsule	% Daily Value

### ABOUT SYNERGY ELITE HEALTH PRODUCTS

Elite Health is the pinnacle of wellness, where age does not dictate ability. Scientifically, Elite Health is optimal metabolic function, the state in which all body systems are performing efficiently, which gives you the energy to see more, do more, and be more, no matter what stage of life you're in.

**ELITE HEALTH**  
 UNLOCK YOUR POTENTIAL

Recent scientific discoveries have uncovered a fascinating inner-ecosystem within each of us called the microbiome. This complex network of bacteria, fungi, and microflora resides primarily in the gut and impacts the health of other systems in the human body. Synergy WorldWide has carefully engineered proprietary solutions: Purify, Fortify, and Protect. Each solution begins with the microbiome.

\*As with any nutritional product, please consult your physician before use, especially if pregnant, lactating, or have a known medical condition. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, or prevent any disease.
