

METABOLIC LDL

Healthy Cholesterol & Metabolism Support.

Item No. 92904
60 Capsules

Support healthy cholesterol levels and cardiovascular function with Metabolic LDL. This unique and powerful herbal formula helps modulate cholesterol oxidation and maintain healthy cholesterol levels.

Metabolic LDL combines Citrus bergamia Risso extract with a proprietary blend of high-ORAC antioxidants that help support total cholesterol and triglyceride levels already in the normal range. It works in part by blocking an enzyme the liver needs to produce LDL cholesterol. This combination of Citrus bergamia fruit extract and antioxidants naturally supports healthy cholesterol and blood sugar levels already in the normal range.

BENEFITS

- Modulates oxidation of LDL cholesterol*
- Supports healthy cholesterol levels*
- Features a powerful, proprietary antioxidant blend*

KEY INGREDIENTS

Bergamot Fruit Extract (Citrus bergamia Risso): Technically an orange, this fruit more closely resembles a lime or lemon with a bumpy outer peel that ranges from pale green to yellow. Our bergamot fruit grows along the southern coast of Italy in the town of Bergamo. Bergamo fruit is bursting with polyphenols, naturally occurring antioxidants that scavenge free radicals in the body.

Proprietary Antioxidant Blend: Nine fruit and plant extracts - including turmeric, green tea, grape seed and mangosteen - are featured in this dynamic formula.

Our unique combination of citrus bergamia and our powerful, proprietary antioxidant blend create a truly synergistic effect. Scientists observed enhanced antioxidant activity beyond the regular capacity of the individual ingredients, yielding a wonderfully effective formulation for cardiovascular health.

RECOMMENDED USE

Take 2 capsules with your evening meal.

Supplement Facts
